Title: HEARTBEAT Original Soundtrack

Genre: RPG

Developer:

CHUMBOSOFT LLC

Release Date: 12 Dec, 2018

English

heartbeat original soundtrack. heartbeats (original motion picture soundtrack). heartbeats the movie soundtrack. heartbeats (original motion picture soundtrack) download

The bonus chapter is worth buying this for even without the soundtrack.. Sometimes you buy Game + OST bundles without thinking about it because it's not that much more expensive. Sometimes you buy those bundles because youve already heard various tracks on loop for hours and know it's good as he'lilll. This is the latter.. The music is really good. If you share this opinion from playing the game, then consider buying the ost.
